Invites Seniors Back to School

*The Board of Education and Administration at Saratoga School would like to invite senior citizens living in Saratoga School District to offer their time and talents to the students and staff. We look forward to partnering with our senior citizens in an effort to provide financial relief to senior taxpayers while at the same time being able to benefit from the contributions that they can provide. There are a variety of opportunities available for senior citizens to play an important role in the activities of the school day at Saratoga School.*
